CPECIAL NOTICE.—COLLECTIONS WILL, AS USUAL, be taken up on Easter Sunday, in all the Catholic Churches of this city, in aid of the orphan asylums. At no previous time have the recessities of the institutions claimed more earnesty substantial sympathy and succor. In sonsequence of the unusually large number of orphans who have been maintained, the extraordinary prices of provisions and other necessaries, and diminished resources, the treasury is not only mpty, but osfigations have been incurred in anticipation of these collections, and which are to be satisfied from the proceeds. The generous response which every appeal from the same source has hitherto called forth inspires the confidence that the mere intimation of the needful, not to say embarrassed, condition of the institutions, will be quite safficient, without any formal appeal, to evoke similar aid in the present instance.

M. J. O'DONNELL, Secretary.
